

[SERVICE OFFERINGS]

Vaco believes that every client and each project is unique. We strive to understand the goals of each client and design a solution that specifically meets these needs. Rather than recycling “prepackaged” programs, Vaco utilizes experienced professionals to deliver results which are tailored to meet the needs of our clients. With this blend of accounting, technology and consulting experience, our clients can be confident that Vaco will understand your needs and consistently deliver results that exceed expectations. Please find below an overview of our “core” accounting/finance and IT consulting services (not intended to be all-inclusive):
